**Gifts of Publicly-traded Securities**

Some of our supporters are turning their **appreciated stocks, bonds and mutual fund units** into gifts for the Northumberland Land Trust. A new tax break introduced in the 2006 Federal Budget **exempts donor individuals from capital gains taxes**, making this the least expensive way to give. In addition, donors of securities **will receive a tax receipt for tax purposes** for the full market value of the shares **at the date of the transfer**. Please contact us if you wish to take advantage of this tax break.
