

YOUR SUPPORT IS URGENTLY REQUIRED!

The Prairie Buttercup on the McEwen property is in imminent danger of being destroyed. Fences at the north end of the property have been flattened, allowing access by ATVs. We ask for your help to save this precious flower, ranked as S3, Provincially Significant. Several other Regionally Significant species, are also in imminent danger from these motorized vehicles.

The cost of replacing or repairing the fencing is estimated at \$12,000 - \$15,000 and we would be most grateful for your assistance to help us to reach this goal so that the fences can be repaired in the fall.

Thank you for your support.

A tax receipt will be issued.
